Dear Dan,

Thank you for taking time out of your busy schedule to appear on my FNC program. It was so nice to meet you, and I'm glad that I got the opportunity to share your financial expertise with my audience. Your accounting and taxation knowledge, along with your insights and perspectives, made our conversation about the issues that still need to be resolved with the Republican tax plan much more interesting and informative. It was truly a pleasure having you as a guest on my show, and I look forward to speaking with you again.

Sincerely,

  
Neil Cavuto
